

Students Guidance to Navigate in our E-Learning Platform

Step 1: Open this <http://elearning.ulk.ac.rw> through your browser.

Step 2: You will see “**You are not logged in. (Log in)**” in right side on top of page. Then click on Log in.

Step3: Type your Username and Password then click on Log in.

Step4: You are prompted in your dashboard and you are on your home page.

Step5: You click on “**My courses**” which appears on left side under Navigation. Here, you can see all courses that you are enrolled.

Step6: Simple click on your course to open it.

The screenshot displays the course interface for 'Computer Architecture'. At the top, there are three navigation options: 'News forum', 'Welcome Message', and 'Module Description'. Below this, the course content is titled 'CHAP I BASIC CONCEPTS' and includes a brief description of the chapter's focus on basic computer concepts and a list of historical computer designs. At the bottom, there is an 'Assignment 1' link.

Above figure is sample of course which is being taught. So far, you may click on ***News form*** to post some topic in discussion forum and this topic is shared among all students who registered for this course. You can also click on uploaded course contents or on “**Assignment**” to answer asked questions.
